DATE: November 22, 1993

FROM: Linda Buskirk
Cable Franchise Advisory Committee
SUBJECT: Comcast contract extension request

9-23-11-18

In April, 1993, the Fort Wayne Common Council extended the franchise contract between the City of Fort Wayne and Comcast Cablevision of Indiana L.P. by five months, to expire on December 19, 1993. The purpose of that extension was to allow the City time to continue its informal process of renewing the franchise contract with Comcast.

The City issued its "Request for Proposal" for the franchise renewal on August 27, 1993, which requested that Comcast submit its response within 45 days. Comcast asked for an extension of that time, and the City gave the company until November 1, 1993, to submit its application.

The Cable Franchise Advisory Committee was confident that a final agreement could be reached between November 1 and the December 19, 1993, expiration of the Comcast franchise contract. However, the application/response submitted by Comcast on November 1, 1993, did not address most of the issues that must be included in a new franchise agreement.

Therefore, in order to guarantee additional time for the advisory committee and the Mayor to reach the best possible franchise agreement for the citizens of Fort Wayne, additional negotiation time is necessary. That is why City Council is being asked to approved this six-month extension of the Comcast franchise contract. The new date for the current franchise contract to expire will be June 19, 1994, if Council approves this extension.
